

The map displays the Grand Canyon National Park Airport, a large paved area with a runway and taxiway. The airport is situated in a valley, surrounded by rugged terrain. Key features include:

- Grand Canyon National Park Airport:** The main paved area, including the runway and taxiway.
- Grand Canyon Airport:** A smaller, unpaved area located to the east of the main airport.
- Forest Service Rd:** Several roads are shown, including a main road running north-south and several smaller roads branching off.
- Geographical Features:** The map shows the surrounding terrain, including the Grand Canyon rim and various smaller hills and valleys.
- Coordinates:** The map includes a coordinate grid with latitude and longitude markings, ranging from 112°7'30" W to 112°9'0" W and 35°56'30" N to 35°58'0" N.
