

This topographic map depicts the Grand Canyon Airport and its surrounding terrain. The airport is centrally located, with a long runway and taxiway system. To the north of the airport is a large, light-colored area labeled 'Wash' (washbasin). To the south is a 'Tank' (water tank). Several 'Borrow Pit' locations are marked with 'x' symbols. The map features numerous contour lines indicating elevation, with labels such as 6600, 6650, 6700, and 6750. A prominent red line runs vertically on the right side of the map, likely representing a major road or boundary. Other features include 'Airway Beacon', 'Water Tank', and 'Wells'. The map is overlaid with a grid of latitude and longitude coordinates, with labels like 112°30'W and 112°20'W along the top and bottom edges.
